Pirate Crew Song

(Sing to the tune of 'This Old Man'.)

Pirate crew, they played 1,
Swashbuckled in the morning sun.
With an eye patch, scrub the deck, looking out to sea,
Pirate crew have room for me.

Pirate crew, they played 2,
Swashbuckled when the parrot flew.
With an eye patch, scrub the deck, looking out to sea,
Pirate crew have room for me.

Pirate crew, they played 3,
Swashbuckled on the stormy sea.
With an eye patch, scrub the deck, looking out to sea,
Pirate crew have room for me.

Pirate crew, they played 4,
Swashbuckled on the captain's door.
With an eye patch, scrub the deck, looking out to sea,
Pirate crew have room for me.

Pirate crew, they played 5,
Swashbuckled to stay alive.
With an eye patch, scrub the deck, looking out to sea,
Pirate crew have room for me.
