Home Learning

Hi Hummingbirds, happy Friday. I know this week has been a little bit challenging for us all, I think maybe because the weather is a bit rainy and also we have had to stay home for a rather long time now but hopefully you are all still smiling. This weekend I am going to try and do something I really love doing to help me feel relaxed and happy, maybe you could too! ☺

Mrs Wolfreys

Today is: Friday 1st May

Today's tasks are (please see the timetable sent out previously for a recommended structure of the day however this is not a structure you need to follow for nursery but just guidance)**:**

Pencil Control/Fine Motor Skills: Today I would like you to practise writing your name. If you find this tricky you can trace your name. If you find this easy practise writing some other sounds we have learnt, or you can even practise writing some words.

Maths/Literacy: Today I would like you to complete another white rose activity. Have a go at creating your own map using positional language. You can find the information here https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/early-years/Day-3-What-the-ladybird-heard.pdf

Phonics: Today we are going to learn another new sound. We will be learning 2 sounds a week so by the time we start in reception we will have covered all of our first sounds. Today's sound is 'b' and you will find the video here: https://www.youtube.com/watch?v=vFXIPUnJYMA

Topic: For our topic today I would like you to have a go at retelling the story of what the ladybird heard. You might use the pictures in the book, or the puppets you have made. Or you might use toys you have at home. You could draw a picture from the story and describe what is happening or simple just retell the story from your memory.
