Home Learning

Happy Friday everyone! I hope you have had a super week. I have loved looking at your learning and I have put some photos at the end of the letter to show you what others have been up to! Have a super day today and a wonderful weekend.

Bea, Alba's mum, is putting together a class photo for the end of the year as we might not be in school to have one. If you would like to be involved please send me or her a headshot of your child on a white background. Thank you and thank you to Bea for organising this.

Mrs Wolfreys

Today is: Friday 12th June

Today's tasks are (please not these activities can be done in any order and any preference. **You do not need to complete them all but I have highlighted in yellow the activity that I feel is most beneficial.)**

Pencil Control/Fine Motor Skills: We will be recapping some of the activities we have already done for fine motor skills over the next few weeks, with a few new activities popping up! Today's activity is Playdoh!

What can you make out of your playdoh today? Can you roll it like a sausage and squash it like a pancake. Check out this new playdoh video: https://www.youtube.com/watch?v=BOLR3pQt8zg

Maths/Literacy: Today we will be exploring how to add money together using our hairy money approach. Watch the video here to learn with me: https://www.youtube.com/watch?v=twFDg9Xi_rM

Maths step back: Work with 1p coins and count them together. For example have 5 1p coins and encourage your child to count to 5.

Maths Challenge: Have a go at the adding coins sheet at the end of this letter.

Phonics: Today we are going to learn a new sound. Today's sound is 'w'. You can find the video here: https://www.youtube.com/watch?v=89vwLOd7HHA

Topic: We have thought about what pirates wear this week. Today I want you to think of a different character, maybe a princess or a ninja, maybe an astronaut or dancer. Can you design an outfit for them? What might they wear? Can you draw a picture of it?

Daily Challenges:

- Independent activity: Have a go at completing a puzzle of you have one.
- Outdoor learning: Make a nature photo frame

Nature Photo Frames

You will need:

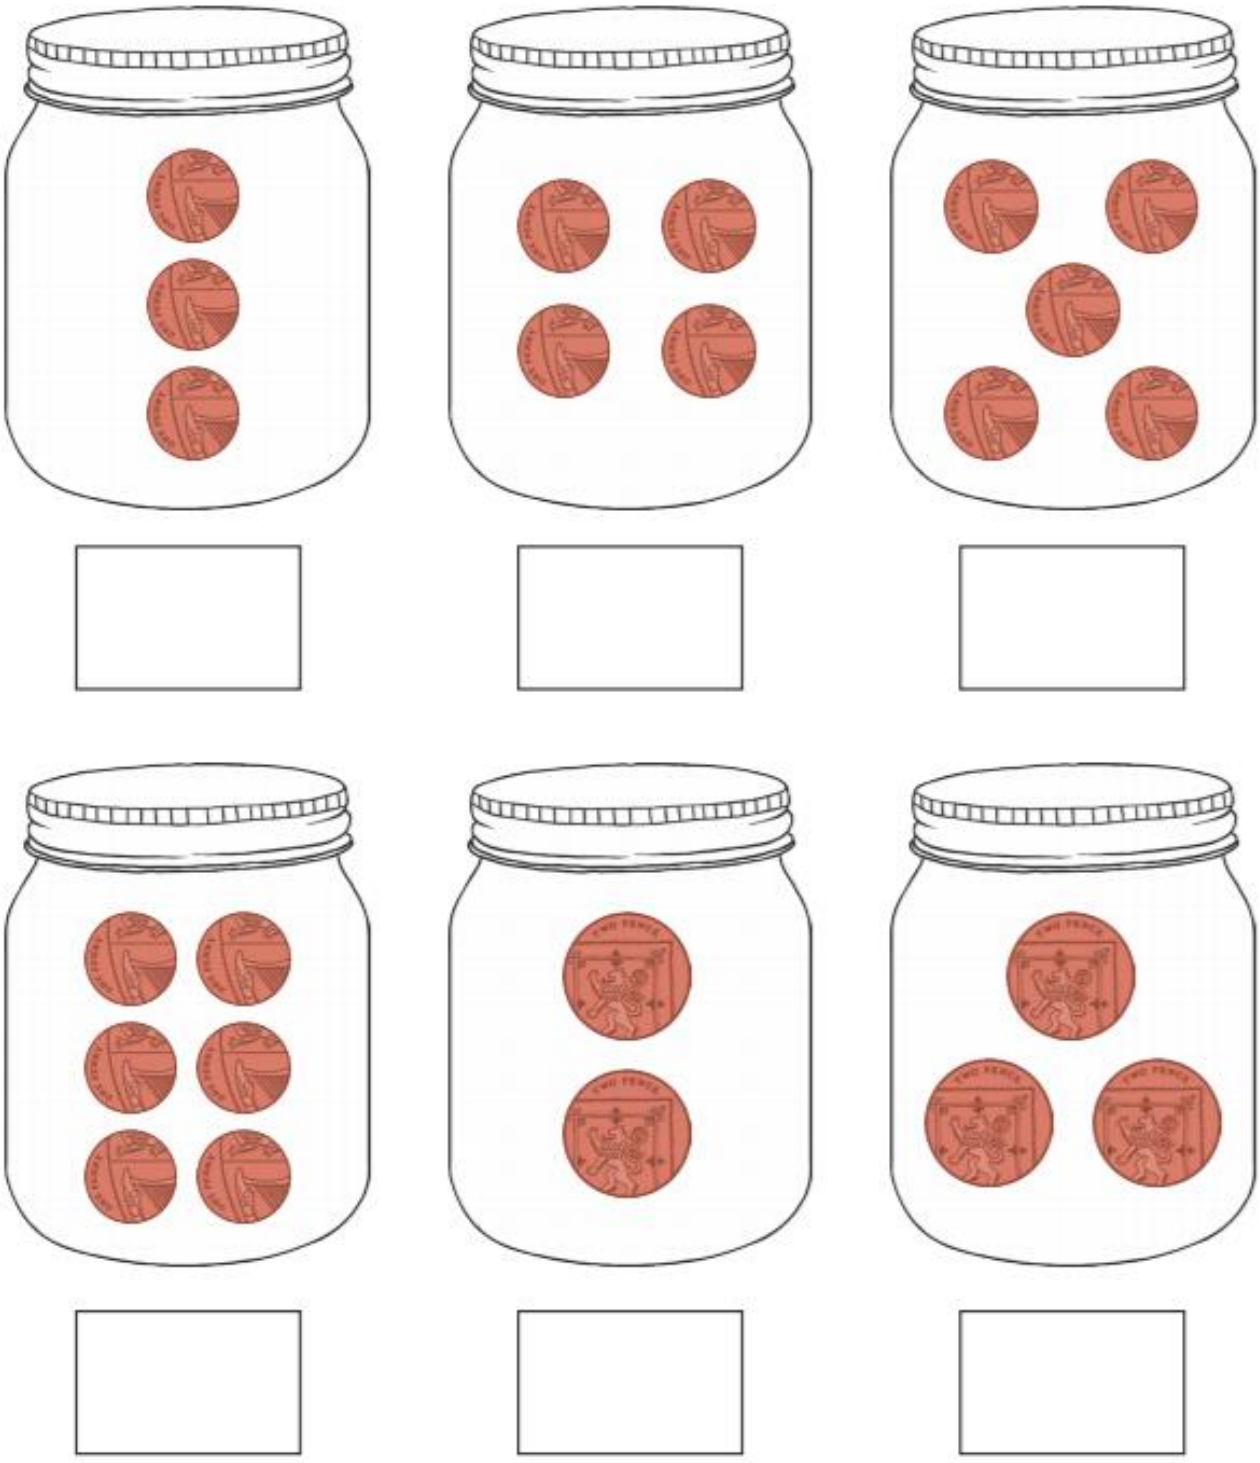
- four large sticks or twigs
- a selection of stones
- a selection of flower heads and stems
- grass
- a selection of leaves
- petals

The Activity:

1. Go on a nature treasure hunt around your garden or near to your home. Allow your child to be creative and search out lots of different items, collecting as many items and colours as possible.
2. Decide with your child what material they would like their photo frame to be made out of. It could be made from sticks, flower stems, wooden planks or even lots of small stones. It could even be a mixture of different items, depending on what you find.
3. Create your photo frame making a square shape.
4. Using your collected items, create a picture inside your photo frame. Your child could create a portrait of themselves or a picture of something that makes them happy e.g. a pattern, a place, another person or an animal.

Maths.

How much money is in my jar?

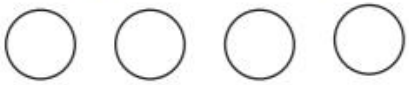


Extra worksheet.

Pirate-Themed Spot the 2D Shape

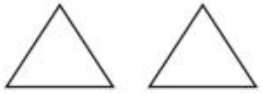
What shapes can you find hidden around this pirate picture?

Can you find 4 circles?

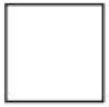


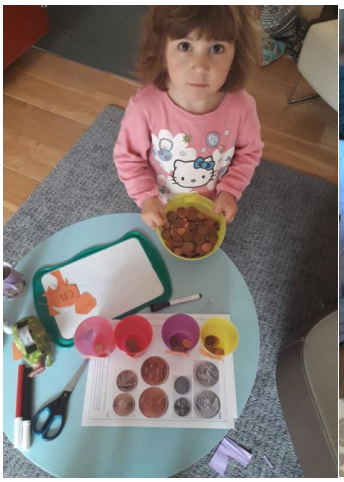
Can you find 3 rectangles?

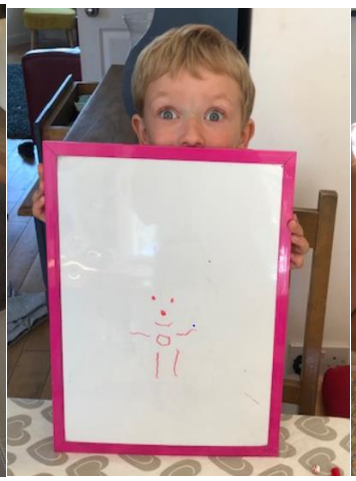
Can you find 2 triangles?



Can you find 1 square?







Photos from the week
