

Home Learning

Firstly, a big well done to all of hummingbird class and parents for adapting to this new school life. I am so proud of each and every one of you (and parents!) for all the work you have continued to do. Don't forget to tune in to celebration assembly this morning where I will award 4 more children with the 'Magnificent Meadland' award. Last week it was Teddy, Logan, Elsie and Arthur R. Who will it be today? I hope you all have a wonderful Easter, look out for Mrs McGeoch's Easter Tasks. Also, please do feel free to contact me on the email address if you would like to. I will be checking these throughout the holidays.

Mrs Wolfreys

Today is: Friday 3rd April

Today's tasks are (please see the timetable sent out previously for a recommended structure of the day however this is not a structure you need to follow for nursery but just guidance):

Pencil Control/Fine Motor Skills: Check out the video of 'Keep Fit Kiwi' featuring a real life Kiwi – Mr Wolfreys! Can you join in with the exercises? Also, I received an amazing photo of Teddy doing Cosmic Yoga – this looked like lots of fun and so I thought I would share it with all of you.

Maths/Literacy: Today for maths I would like you to use your number cards that you made on Wednesday and put them in order starting at 1 to make a numberline. Can you add your homemade numicon to your numberline? Can you find objects and put the right amount to each number? Grown-ups: start exploring one more and one less by looking at the numberline and giving your child a number. EG: let's look at number 3, what is one less/what comes before? What comes next/this is one more.

Phonics: Can you sort the pictures into the right sounds? Can you find all the pictures that start with 's'? How about 'a'? Can you find objects around your house and sort them into different sounds?

Topic: If you can, help your grown-up do some Easter baking. What could you make? Easter cakes, biscuits or even an Easter meal. There are lots of ideas here: <https://www.bbcgoodfood.com/recipes/collection/easter-kids>

Daily Challenges:

- Today is poetry slam – a poetry competition for the older children in the school but check out some of the poems performed by teachers and children on the Website
- See if you can learn your own poem – check out my video of our poetry basket and see if you can join in.
- Can you create another helicopter story by drawing a picture and telling a story? Maybe you might try to tell a poem about your picture (a grown-up might have to help with this!)
