Happy Friday everyone. I have loved looking through some of the photos you have been emailing in and will often check them on my breaks whilst at school. I know Mrs Nicholas is LOVING seeing them all and responding to you. I hope you have had a wonderful week. Have a lovely weekend.

Today is: Friday 5th June

Today's tasks are (please not these activities can be done in any order and any preference. You do not need to complete them all but I have highlighted in yellow the activity that I feel is most beneficial.)

Pencil Control/Fine Motor Skills: We will be recapping some of the activities we have already done for fine motor skills over the next few weeks, with a few new activities popping up! Today's activity is

Maths/Literacy: Today I would like you to have a go and drawing and labelling a pirate. What has your pirate got? Your grown-up can write the labels for you if you can show them what each part is. For example you may have drawn a hat, show your grown-up the hat and tell them that's what it is. If drawing is a bit tricky, use the picture at the end of the letter.

Phonics: Today we are going to learn a new sound. Today's sound is 'v' for vulture. You can find the video here: https://www.youtube.com/watch?v=eabzfL89UEw

Topic: We are going to think about treasure maps today. What do they look like? What do they include? Have a look at the example treasure maps at the end of this letter. What do they look like? Today can you create your own treasure map?

Daily Challenges:

- Check out this cosmic yoga with a pirate theme. You may only want to do a little bit as it is quite long.
- Have a go at this online game looking at shape patterns. Can you name the shapes and spot which one comes next? https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns
