

Home Learning

Good morning Hummingbirds. I just wanted to say how proud I am of the work you are doing. I'm sorry I haven't replied to many emails recently but I have been working hard too in school with the other teachers. We have been making sure everything is sorted and ready for our picnics and for September. But I have looked at every single email and the work you have done. It always make me smile the biggest smile ever. Only 4 sleeps until our picnic!

Mrs Wolfreys

Today is: Thursday 16th July

Today's tasks are (please not these activities can be done in any order and any preference. You do not need to complete them all but I have highlighted in yellow the activity that I feel is most beneficial.)

Pencil Control/Fine Motor Skills: We will be recapping some of the activities we have already done for fine motor skills over the next few weeks, with a few new activities popping up! Today's activity is Lego. What can you build with Lego today?

Maths/Literacy: Draw a picture of an animal doing an activity that some people might think they couldn't do, like Biff the dog doing ballet. You might draw a monkey doing hopscotch or a cat juggling. Maybe a lion as a pirate or a horse doing some skipping.

Phonics: Today I have filmed a video to recap all the sounds we have learnt so far. You can watch this lots over the summer to help remember the sounds! <https://www.youtube.com/watch?v=IzQpt9pMZo4>

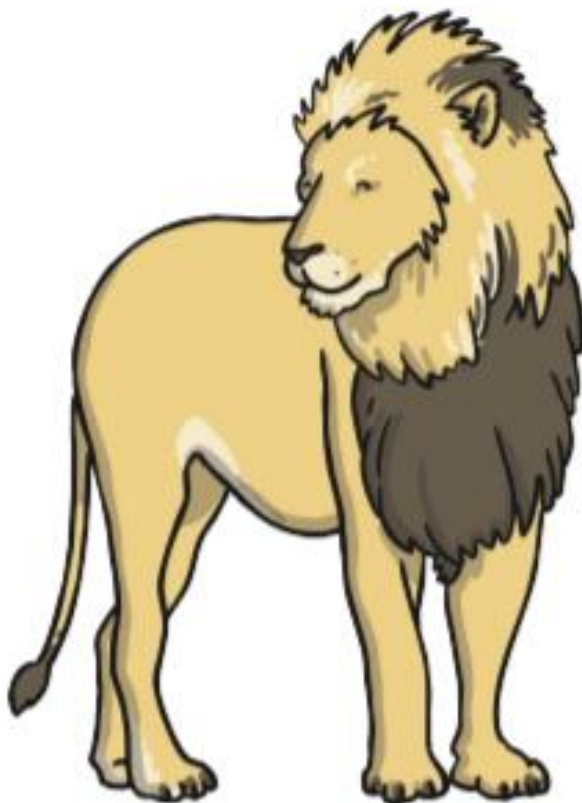

Topic: Draw a picture of you and your friends. Who do you like playing with? Do you play with boys or girls or both? Can boys play with girls? What games can girls and boys play?

Daily Challenges:

- Independent learning: Put on some music and dance like Biff in our story
- Outdoor learning: When out and about have a look at the trees around you, can you find a really tall one? Can you find one that is shorter? Maybe you could find one that's in the middle!

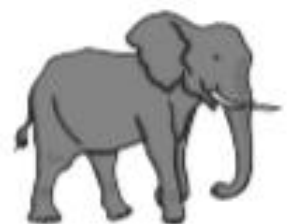

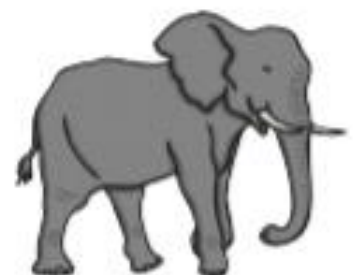

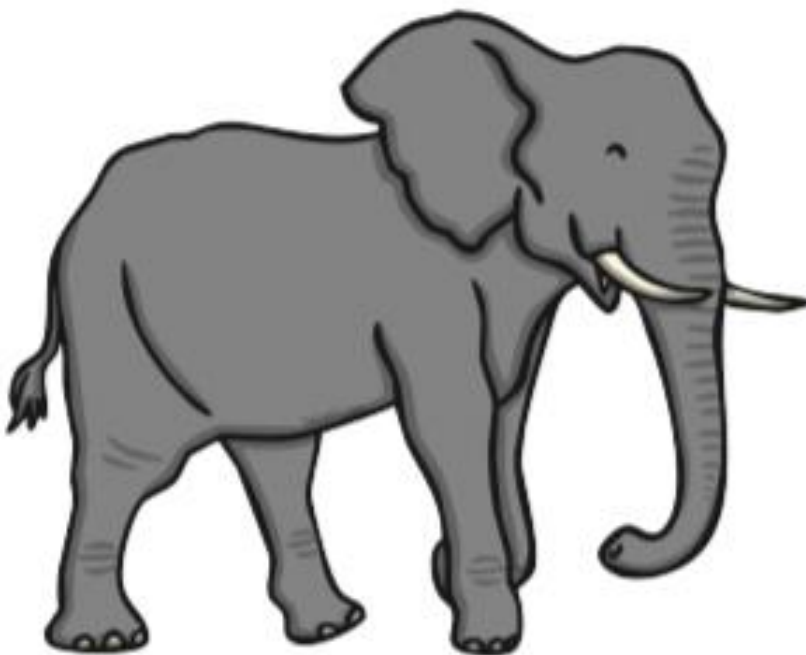

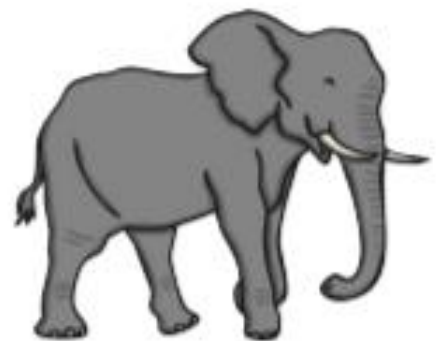

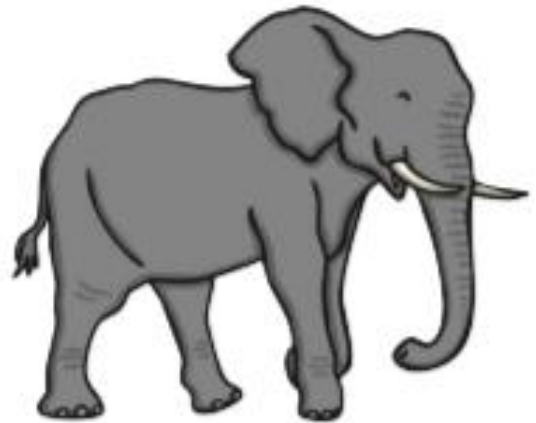

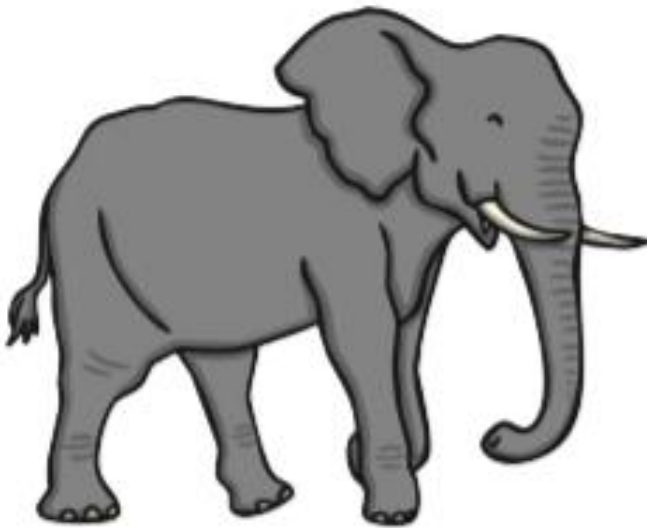

Zoo Animals Size Ordering

Cut out each image and order them by size.
