Good morning Hummingbirds. I have some very exciting news to share with you today but it's a bit of a secret. I wanted to tell my wonderful Hummingbird families before anyone else finds out, so it is a secret until tomorrow when the other Meadlands families will know. There are some changes happening to the Wolfreys' household as we are expecting 2 new little wolf cubs to join us in January. I have two little babies growing in my tummy who will become part of my family. This means I have to be a little bit more careful at school, so I can look after them really well. It means, next year I won't have a class of my own but will help the other teachers as much as I can. You will still see me in school to begin with, but when the babies are here I will have to stay at home for a while. I will bring them into school one day so you can all see them and say hello. Sometimes change can be a bit scary or worrying. You might feel a little worried about a new school or a new class. I feel the same about having new babies. But it is such an exciting adventure just like going to Reception or having a new teacher. So I think we should all try to feel really excited about our next journey as I think we are all going to have so much fun!

Mrs Wolfreys

Today is: Thursday 2<sup>nd</sup> July

**Today's tasks are** (please note these activities can be done in any order and any preference. You do not need to complete them all but I have highlighted in yellow the activity that I feel is most beneficial.)

**Pencil Control/Fine Motor Skills:** We will be recapping some of the activities we have already done for fine motor skills over the next few weeks, with a few new activities popping up! Today's activity is finger painting.

**Maths/Literacy:** For literacy today I want us to think about adventures! This could be your adventure into a new school, a pirate adventure or a walk through a magical woods. Use the sheet at the end of the letter to draw or write different parts of your adventure.

Literacy step back: Draw one picture of your adventure and tell a story about it

Literacy challenge: Try to write some words when designing your adventure

**Phonics:** Today I would like you to do another mini assessment and see which sounds you know. Also try to read the words.

**Topic:** Today I would like you to design an outfit for my babies. You might want to design 2 as they are twins. What might they like on their top? What colours will you use?

**Daily Challenges:**

- Independent learning: Have a go at some cosmic yoga today. See if you can copy the moves by yourself.
- Outdoor learning: Today I would like you to go on a colour hunt when you are outside. See if you can find something of each colour. You could have a go at writing the first sound or even the whole word. You could also ask a grown up to write it for you.

## Design an Outfit for a New Baby

New babies need clothes to keep them warm. Baby clothes often have cute pictures on them. Design an outfit for a new baby.

# Colour Hunt

Find objects for each different colour. Tick off the colour, and write the name of the object when you have found something.

| Colour | Tick | Object |
|--------|------|--------|
| red    |      |        |
| green  |      |        |
| blue   |      |        |
| orange |      |        |
| yellow |      |        |
| purple |      |        |
| pink   |      |        |
| brown  |      |        |
| grey   |      |        |
| black  |      |        |
| white  |      |        |
