Good Morning Hummingbirds. A little video for you this morning with a special guest!

<https://www.youtube.com/watch?v=PYd9rd752Sw>

Mrs Wolfreys

Today is: Tuesday 30th June

Today's tasks are (please note these activities can be done in any order and any preference. You do not need to complete them all but I have highlighted in yellow the activity that I feel is most beneficial.)

Pencil Control/Fine Motor Skills: We will be recapping some of the activities we have already done for fine motor skills over the next few weeks, with a few new activities popping up! Today's activity is Lego.

Strengthen your hands by building with Lego or blocks. What might you build?

Maths/Literacy: Some drama for our literacy today from our wonderful Louise!

<https://www.youtube.com/watch?v=s3CCoufh-gk>

<https://www.youtube.com/watch?v=qmfvTmcNkk4>

Phonics: Today we are going to look at our phase 1 phonics thinking about body percussion. What sounds can you make using your body? Can you make a pattern? Have a look at the sheets at the end of the letter. What actions/sounds are they doing? You could print them out and make a pattern with them. Maybe you could draw and add in your own body percussion sounds.

Topic: Today we will be finding out our own pirate names. Have a look at the code at the end of this letter to find out yours! Can you draw me a picture of you as a pirate?

Daily Challenges:

- Independent learning: Playdoh is a great independent activity and one that always helps with building strength.
- Outdoor learning: This is inspired by an activity Sasha has completed. Can you make a bird feeder?

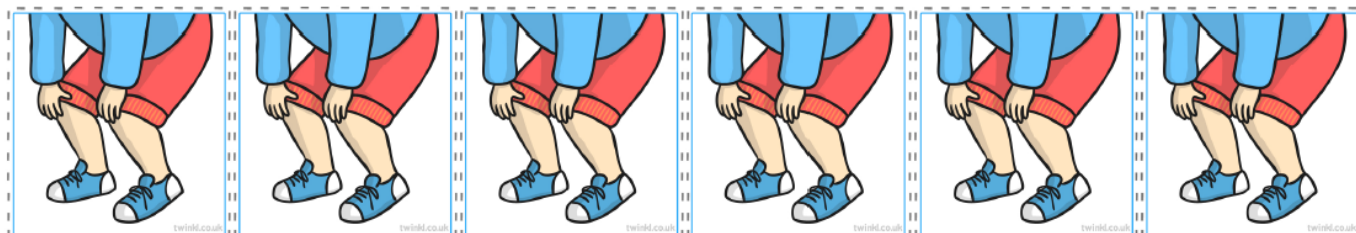

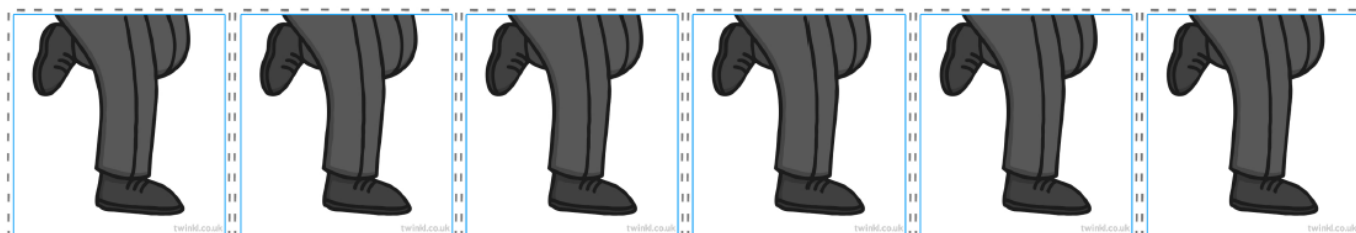

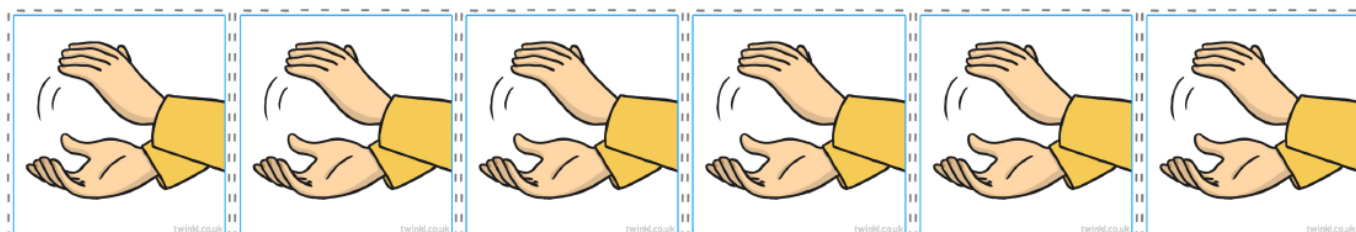

- Parent challenge: Please keep emailing me lots of the wonderful photos – I love seeing all the children and what you have been up to. Share anything that you found useful or liked on your whatsapp group ☺ email is: nursery@meadlands.richmond.sch.uk
- Any questions please do email me I will be in school on some days but I will try to respond ASAP.

Phonics.
