

Home Learning

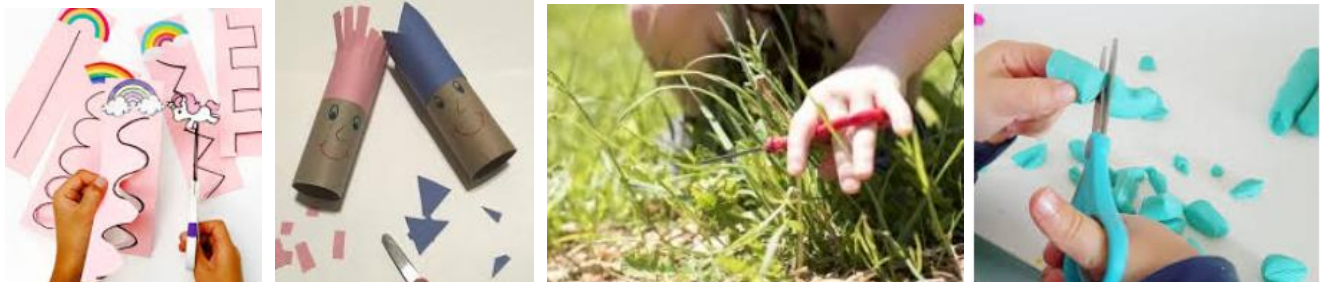

Hello Hummingbirds, thank you to those who emailed me yesterday. I know it's hard to keep going in this last week but I am so proud of you, keep working hard! I loved hearing about what you want to be when you grow up and all about the equalities work you have been doing! Have a super day.

Mrs Wolfreys

Today is: Wednesday 15th July

Today's tasks are (please not these activities can be done in any order and any preference. You do not need to complete them all but I have highlighted in yellow the activity that I feel is most beneficial.)

Pencil Control/Fine Motor Skills: We will be recapping some of the activities we have already done for fine motor skills over the next few weeks, with a few new activities popping up! Today's activity is using scissors.

Maths/Literacy: To go with today's story of 'Dogs don't do ballet' I want you to create a list of three things you like and three things you don't like, you could draw each one. In the story people thought Biff couldn't do ballet because he is a dog. Is that fair? Should all dogs like the same thing? How about all boys or all girls? Once you have made your list I would like you to ask your family or friends if they like the same things as you. Should we all have to like the same thing or is it okay to be different?

Phonics: Have a go on Phonics play today: <https://www.phonicsplay.co.uk/> Use either the phase 1 or phase 2 games

Topic: Another story today, you will find it here: https://www.youtube.com/watch?v=dz2IPAG6_T0

Daily Challenges:

- Independent learning: Draw or paint a picture for somebody in your family
- Outdoor learning: When out and about, look at the families and children you can see. What activities are they doing? Do you like the same activity as them? Who is in their family? Is it similar to yours? Are all families the same?

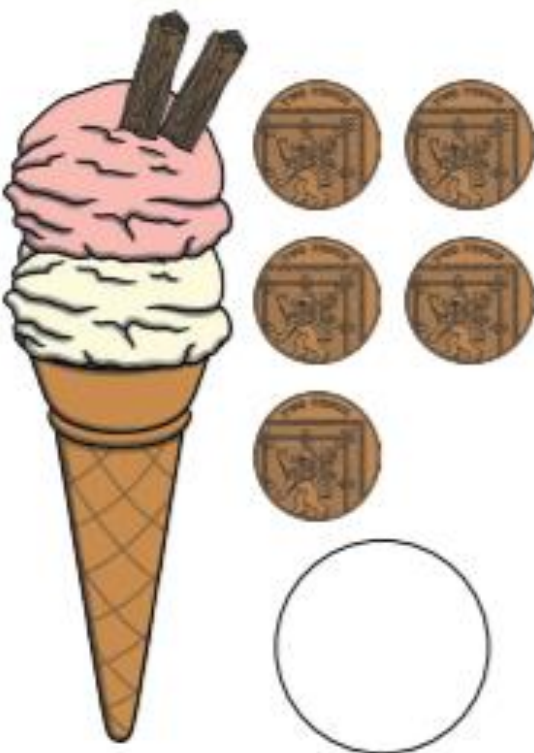

How Much Do the Ice Creams Cost?

How much does each ice cream cost? Look at the coins and write the total amount in the circle.
