

School

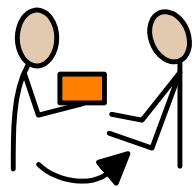

is

closed

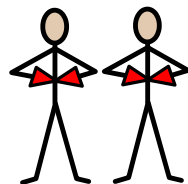

The coronavirus is making some people poorly. It

is giving them a cough and a

temperature.

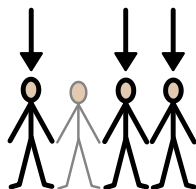

We

want to

stop

too

many people

getting

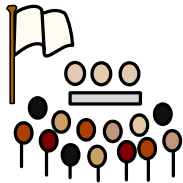

poorly

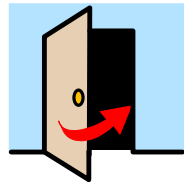

like this.

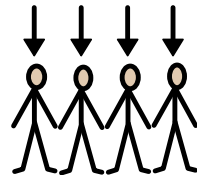

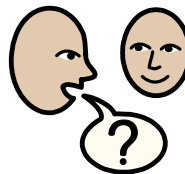

To stop more people getting poorly,

the Government have shut Meadlands for

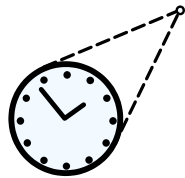

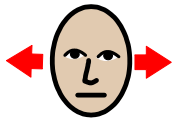

a little while, and asked everyone to

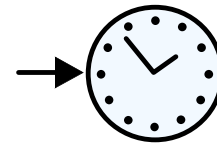

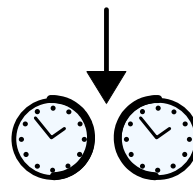

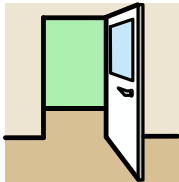

stay at home instead.

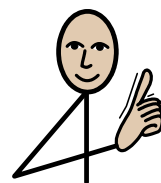

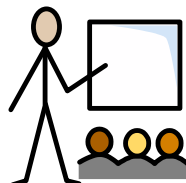

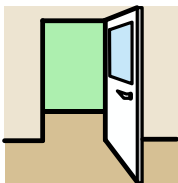

It is not forever, and Meadlands will be

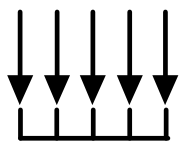

open again really soon. Until it

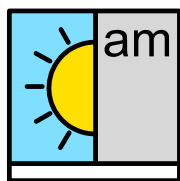

is open again, lessons need to happen

at home instead of at school.

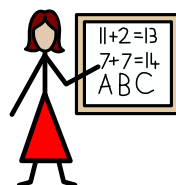

Every

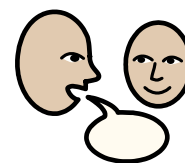

morning,

your

teacher

is

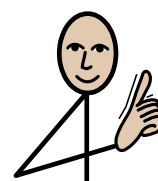

telling

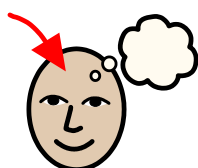

the grown ups

at home what you

need

to

learn.

The

grown ups

at

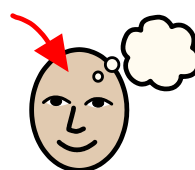

home

will

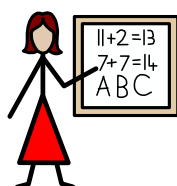

help

you with your

learning,

just like the

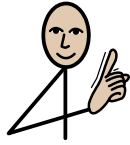

teachers

at

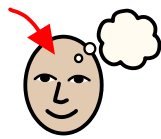

school

do.

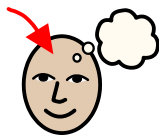

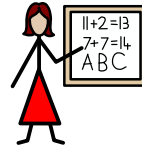

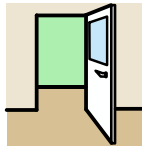

You need to listen to the grown ups at home about

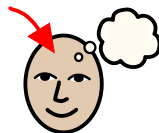

your learning, and write it all in your books. When

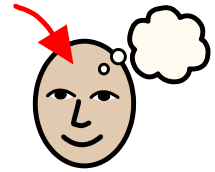

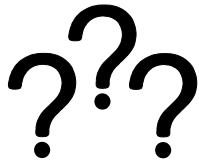

Meadlands is open again, your teachers will ask

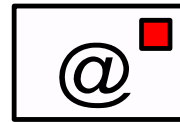

to see all your learning and will be so happy to see the

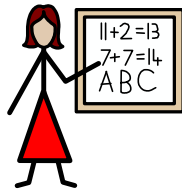

learning you have done.

If you have any questions about your learning,

ask your grown up to email your

teacher and they will help you.

You are a superstar!
