

## Home Learning

**Today is:** Thursday 7th January

Good Morning Hummingbirds,

I hope you are all enjoying home learning, Mrs Nicholas, Mrs Bradley and I are really enjoying all the wonderful photos of you doing your home learning, please do keep sending them in!

Parents please note you can mix the timetable around and do not have to follow the exact timings whatever works best for you 😊.

Mrs Bradley and I have been phoning some children over the last two days and we will continue to do this today.

Parents please do keep sending those emails in so we can see what the children are up too.

Have a lovely day!

### Today's timetable:

| Time (Approx.)                          | Lesson                                                                                                                                                                                                                                                                |
|-----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 8:30-9:00<br>Fine motor skills activity | <p>Fine motor skills activity- Parents draw some lines onto a piece of paper (As shown in the image below) Can you cut along the line? Repeat with a few different patterns.</p>  |
| 9:00-9:10<br>Assembly                   | <p>Singing Assembly, You'll find this on the website in the Assembly Box.<br/><a href="https://www.meadlands.richmond.sch.uk/assembly-1/">https://www.meadlands.richmond.sch.uk/assembly-1/</a></p>                                                                   |

|                               |                                                                                                                                                                                                                                                                        |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 9:10-9:30<br>Phonics lesson   | Phonics- please see the slides below to complete the phase one phonics activity today. There is a set of questions to prompt the children, Parents please see the answers in the bottom left hand corner you may need to model the first slide or two to your child 😊. |
| 9:30- 10:15<br>Play           | Independent learning (play time!) Parents, use this time to complete learning observations of your child and email them to us throughout the day.                                                                                                                      |
| 10:15-10:30<br>Snack          | Snack time, have some delicious fruit! Yum!                                                                                                                                                                                                                            |
| 10:30-11:30<br>Challenge time | Try a challenge or two from the list below. Depending on which challenge is chosen parents you can take some photos as a learning observation to be emailed.                                                                                                           |
| 11:30-12:30<br>Lunch time     | Lunch                                                                                                                                                                                                                                                                  |
| 12:30-1:00<br>Try a challenge | Try a challenge or two from the list below. Depending on which challenge is chosen parents you can take some photos as a learning observation to be emailed.                                                                                                           |
| 1:00-1:30<br>Exercise         | Mr Penberthy's Whole School Work Out! You'll find this on the website <a href="https://www.meadlands.richmond.sch.uk/pe/">https://www.meadlands.richmond.sch.uk/pe/</a>                                                                                                |
| 1:30-2:00<br>Happiness        | Miss Davies Whole School 'Happiness' session You'll find this on the website: <a href="https://www.meadlands.richmond.sch.uk/pastoral-support-at-school/">https://www.meadlands.richmond.sch.uk/pastoral-support-at-school/</a>                                        |
| 2:00-3:00-<br>Play            | Independent learning (play time!) Parents, use this time to complete learning observations of your child and email them to us throughout the day.                                                                                                                      |
| 3:00-3:30<br>Story time       | Story time- Choose a story or two from the CBeebies Storytime page you can find this here- <a href="https://www.bbc.co.uk/cbeebies/stories#filter">https://www.bbc.co.uk/cbeebies/stories#filter</a>                                                                   |

**Phonics slides:**

LC: I can hear the same sound at the beginning of the word

What can you see in the picture?  
What sound does it begin with?  
Can you hear the same sound?

man on moon

LC: I can hear the same sound at the beginning of the word

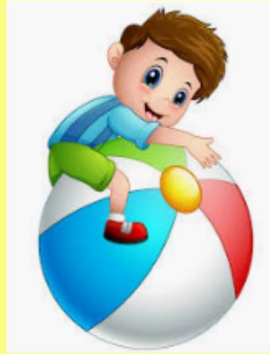

What can you see in the picture?  
What sound does it begin with?  
Can you hear the same sound?

girl in garden

LC: I can hear the same sound at the beginning of the word

What can you see in the picture?  
What sound does it begin with?  
Can you hear the same sound?

boy on ball

LC: I can hear the same sound at the beginning of the word

What can you see in the picture?  
What sound does it begin with?  
Can you hear the same sound?

cat in car

LC: I can hear the same sound at the beginning of the word

What can you see in the picture?  
What sound does it begin with?  
Can you hear the same sound?

dinosaur  
dancing

### Daily Challenges:

- Can you draw a dinosaur foot as shown in the image below? Can you cut it out and colour it in?

If you have already created your dinosaur foot could you make another one or two? One that is bigger and one that is smaller then can you put them in size order from smallest to biggest.

- Can you go on a listening walk outside? Or can you go into your garden or listen outside your window- what sounds can you hear? How many different sounds can you hear?
- Can you create your own Handasouras like the one in the image below.

- Can you create a pasta shaped dinosaur? Just like the one in the image below- Use your pasta and glue to create your very own dinosaur skeleton.

- Can you draw a picture of a dinosaur egg- just like the one we found in our story of Little Rex. Once you have finished maybe you could draw a picture of one of Rex's siblings, what colour might they be?
- Can you play a phase one phonics game on busy things? You can find the website here- <https://www.busythings.co.uk/play/> .

Once you get to the page click:
