All About Number 1

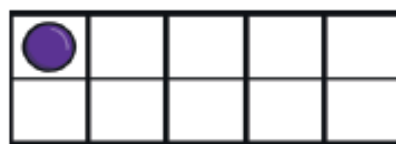

Number Formation Activity

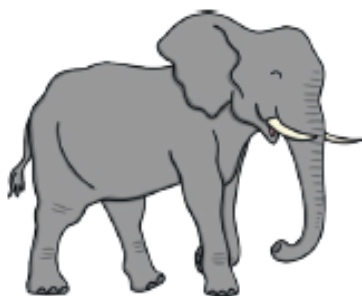

How many fingers are
being shown?

How many counters are in the
ten-frame?

How many elephants can you see?

How many cars can you see?

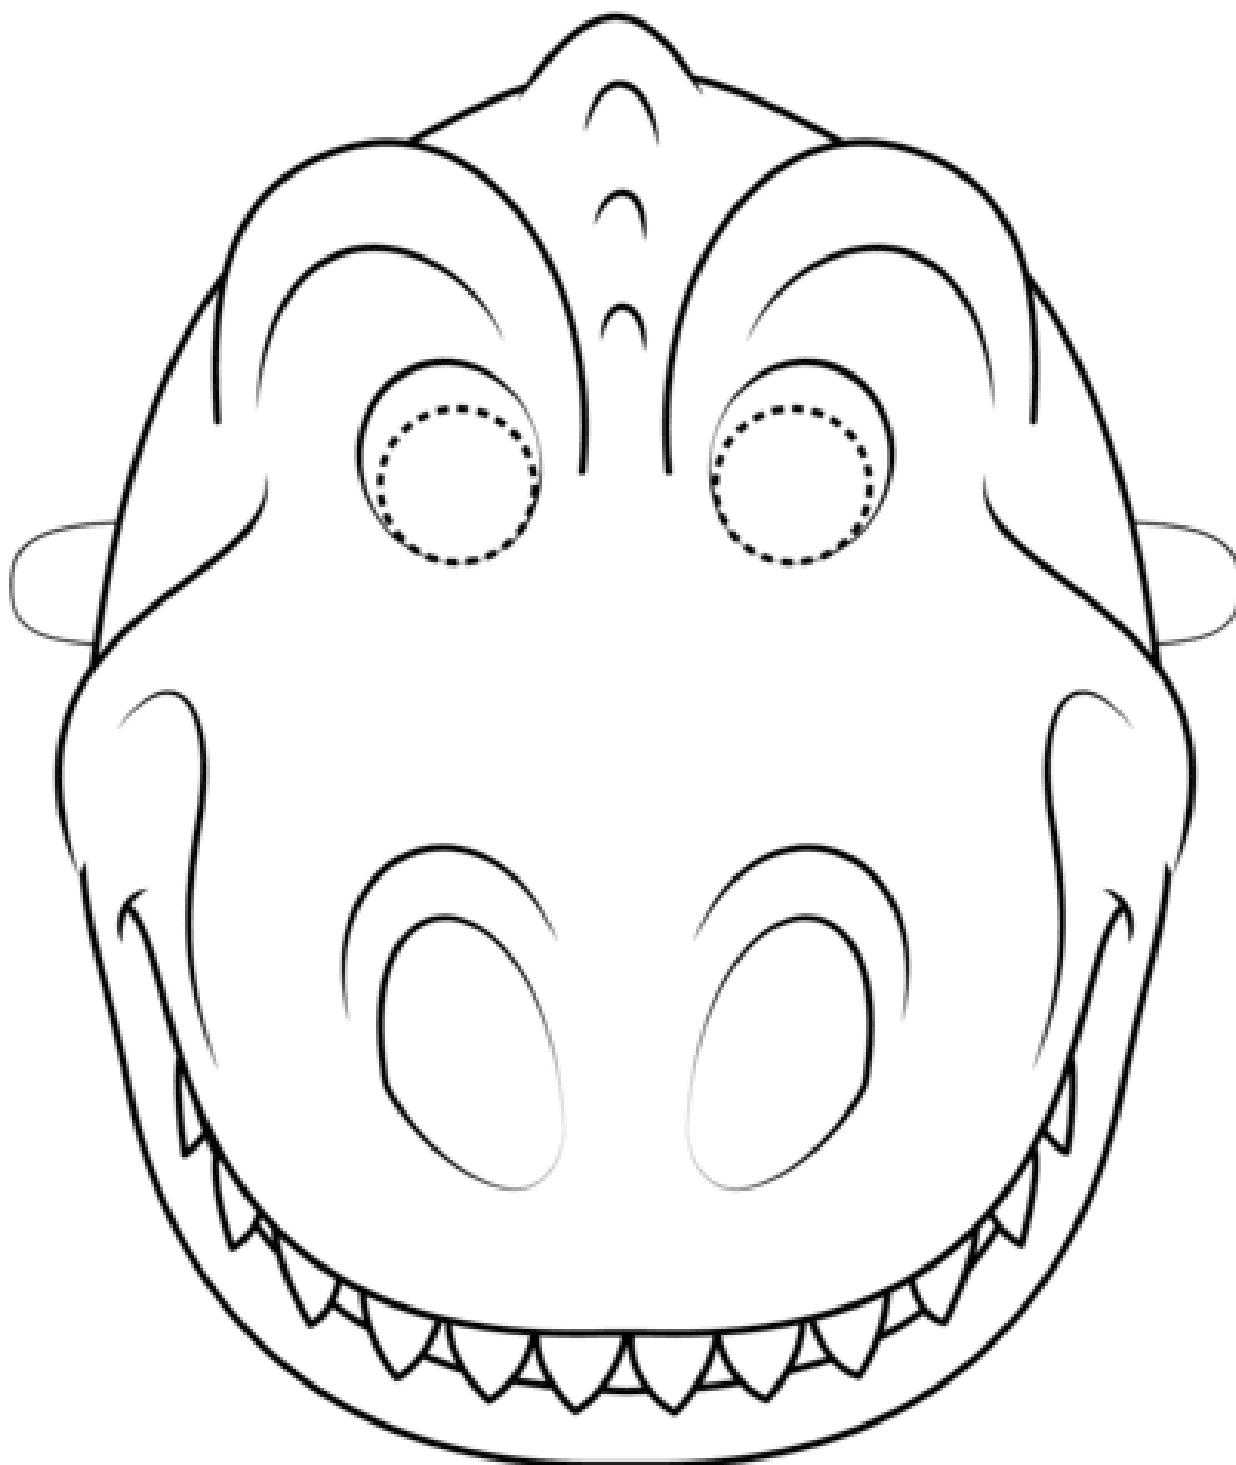

Daily Challenges:

- Can you make your own pegasaurus? Just like the one in the image below, once you've finished put different amounts of pegs onto the dinosaur, can you count how many pegs you have in total? What is one more or one less than your total?

- Can you make some playdough? Here are some instructions to follow- <https://www.bbcgoodfood.com/howto/guide/playdough-recipe> once you have made your playdough can you use it to make a dinosaur egg? Or even a dinosaur?
- Can you make your very own dinosaur mask? Here is a template you can decorate it how you wish too or you could even make your own mask completely from scratch.

- Here are some dinoactivity challenge cards for you to try follow the instruction on the card and see what you can do.
