Forest School:

Forest School Challenge

Can you make a paintbrush out of sticks and leaves? Look at the photo below for some inspiration. They look a bit like a dinosaurs tail! Using your dinosaur tail paintbrush can you paint a wonderful picture for Mrs Nicholas to see? It will certainly make her smile.

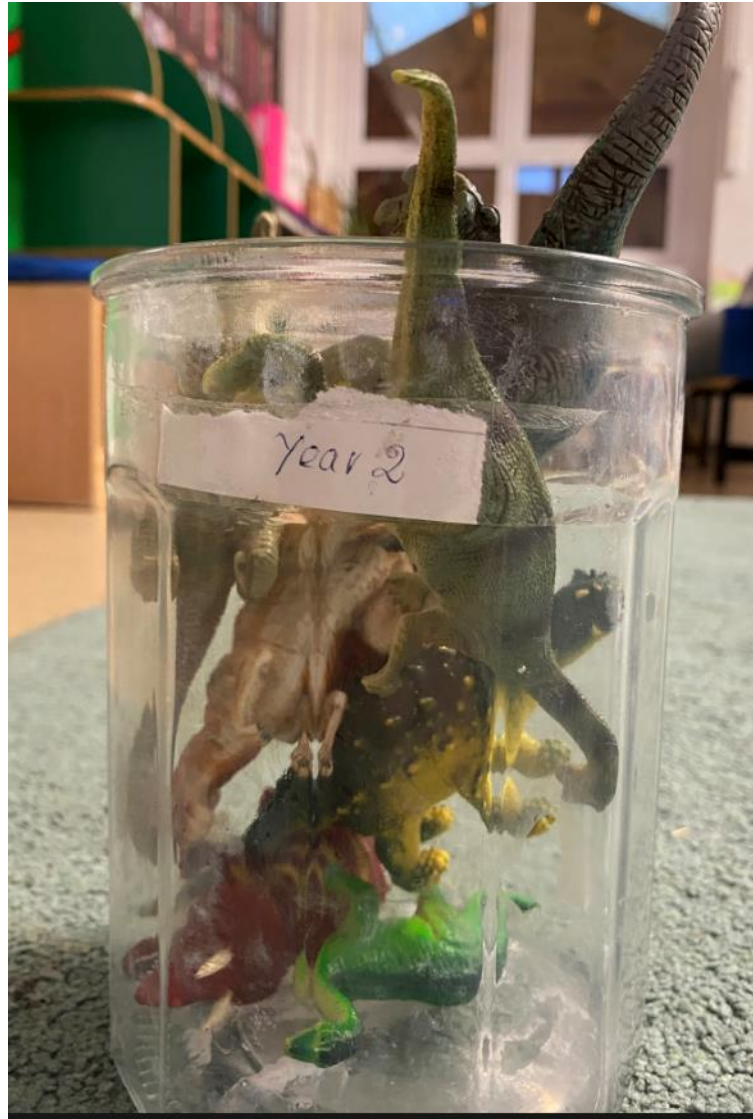

What have you painted?
What colours have you used?
What could you use next time to make your paintbrush?

Send in a picture of your painting we can't wait to see them:).

Daily Challenges:

- Can you remember what our sound for this week is? That's right 'M'. Can you find something in your house starting with M?
- Our new focus number is 2 for this week, can you find things around your house to represent the number 2? Can you practice writing our number 2?
- Can you practice writing our M sound?
- Look at this picture, Can you guess how many dinosaurs have jumped into the jar?

- Can you draw 10 dinosaur footprints and colour them in? Once you have coloured them in can you write the numbers 1-10 on them? You can practice writing 1 and 2 just like we have been last week and this week and with the help of a grown up write all the way up to ten, then can you put the dinosaur footprints in order from 1-10 and backwards from 10-1 as an extra challenge?
