Ways you can help

Angels of Peace Project

Create paper angels with your child for our Hall decoration. Any style or colour as long as it's paper or thin card.

meadlands.united@gmail.com

Make or donate decorations for the school Christmas tree.

Sign up for the hall decoration evening on Thursday 30 November

Ways you can help

If you are able to have a **Mervyn Smith board outside** your house to advertise the Fair (our school charity, Meadlands United, receives money from Mervyn Smith for every board).

Please complete the form by Friday 17th November.

We'd like to **celebrate all the different cultures and festivities in our diverse school community** so please come forward with any decorative objects you have, national dress, interesting festive customs or perhaps you can run a workshop or cook / bake some festive (nut-free) food to share!

Christmas Jumper Day

We are mindful of the cost of living crisis, and have therefore decided to reduce the various donations and MUFTI days this year. There will be a **Christmas Jumper Day for Tombola items on Friday 1 December**. On this day, the children can come to school wearing their festive jumpers with their school uniform.

We'd be grateful for **bottled donations for our adult tombola** (please check the expiry date before donating) and / or boxes or chocolates or treats and new stationery items for our children's tombola. For those of you who so generously used our **Amazon wish** list at the Summer Fair and would like to help us in this way again. **The Works** also do lots of lovely stationery gifts for the children's Tombola.

Meadlands
Winter Fair
TOKENS

Tokens

Following the successful roll out of the **token system** at the Summer Fair, we will once again be using tokens for all the stalls and stands except for the stalls run by external stall holders. You'll be able to **buy these either in advance via our event webpage** (£16 worth for £15) or **on the day** using **cash** (entrance) or **card** (foyer).

Workshops

We're planning a range of workshops and experiences - **places for these will also be sold online via our event page**. Please note, places are limited so book early to avoid disappointment! (Your class reps will let you know when the shop is 'open')/

Auction

In light of feedback from the Summer Fair and the success of last year's **Christmas Fair Auction**, the winter auction will be run entirely online via Jumblebee. We're busy contacting potential sponsors but please help us by sourcing additional prizes from places you attend regularly and where you might have a good relationship with the proprietors (restaurants, hairdresser, services etc).

Thank you

Thank you so much to everyone who has already come forward with decorations, offered to wrap books, make waffles, decorate the hall, and take part in the Festivals from around the World and have a Mervyn Smith board in their garden.
