

Year 1 Parent Curriculum Booklet 2025 - 2026

Our school vision:

At Meadlands we dream big. Our mantra is borrowed from our literary hero, Roald Dahl *we are the music makers and we are the dreamers of dreams*. And our motto is *Work Hard & Be Kind*.

What do these words mean to a kid like me at Meadlands? It means we learn more than just facts and subjects, we are taught how to learn so we can be adaptable and be ready for the world we will be part of when we are older. Meadlands encourages us to be self-motivated, to use our own initiative, to be resilient, curious, imaginative, determined and above all else to be kind and respectful. My teachers and staff know me very well, my learning is personalised to my own strengths and weaknesses, I have goals set to challenge me, to break down my barriers and overcome my difficulties. So I can always be better and do better. As a class we make outstanding progress in our lessons. We are proud of ourselves and each other. As a school we all work to improve and grow it. Students, parents, care givers, staff, leaders and governors. Everyone is invited to contribute. This is part of our experience.

Our school is committed to dreaming big. Never resting on our laurels. The curriculum is always developing and improving, delivering the new skills and knowledge we will need for the future. Our school is a harmonious place to be, where we know through hard work and kindness, every dream is possible.

Mrs Wreford and Mrs Taunton Johnson

Dear Parents,

Welcome to Year 1! I am absolutely delighted to be teaching the Emperor Penguins this year. I am excited about the Year 1 curriculum which includes making puppets, exploring the history and geography of Ham, and studying the work of Vincent van Gogh.

Year 1 will be supported by the lower KSI team. We are a dedicated and united team here for your children both academically and pastorally. We are looking forward to creating new memories, setting new challenges and supporting every child in achieving their best. We also have some fantastic specialist teachers, including Lee for dance.

If you have any queries or concerns please contact me either in person or please feel free to email me at j.clark@meadlands.richmond.sch.uk and I will reply as quickly as possible.

Best wishes
Mrs Clark

Year 1 team

Mrs Clark – Class Teacher, Computing Lead
j.clark@meadlands.richmond.sch.uk

Lower KS1 support team

The Senior Leadership Team

Co Headteachers: Mrs Jo Wreford and Mrs Sarah Taunton-Johnson
Designated Safeguarding Lead: Mrs Jo Wreford
Deputy Headteacher/Inclusion Lead / SENDCO: Mrs Laura Barson
School Business Manager and Deputy Designated Safeguarding Lead: Mrs Jolene Gee
Support Staff and Deputy Designated Safeguarding Lead: Mrs Sue Kelly

For a full list of roles and responsibilities please see the school website.

Office hours and contacting school

- Messages: For non-urgent messages and questions please continue to email the office (office@meadlands.richmond.sch.uk) or Mrs Clark: j.clark@meadlands.richmond.sch.uk or call the office (0208 940 9207).
- The office is open between the hours of 9am – 9.10am and 3.20pm – 3.45pm.
- Dropping off equipment: Please continue to use the delivery box at the front of the school.
- As well as calling the school office before 9.00am please note that you can use the Parentmail app to report absence.
- In line with promoting staff's wellbeing and helping staff to find a suitable work-life balance, staff will respond to communication within 48 hours/2 working days of its receipt and will respond during their working hours. Parents are politely asked not to chase a response within a 48-hr period or seek a response from another member of staff.
- Staff will respond to communication during of their working school-based hours. Please note that if you email during the school holidays, you may only receive a response on the first day back at school.

If you have questions about any of the topics in the table below, or would like to speak to a member of staff please email the relevant staff member:

Clubs

- The clubs' newsletter is typically circulated two weeks before bookings open. All bookings unless otherwise stated on the newsletter can be booked through the "shop" on Parentmail. The window for bookings will be detailed on the newsletter and places will be allocated on a first come, first served basis.
- Clubs are ten weeks unless otherwise indicated.
- On their club day and when it is not a PE day, children need to come to school in their school uniform and can then change into their club clothing afterschool.
- We have a year round, all weather policy for our outdoor clubs, meaning come rain or shine we will try our hardest to run the club. However, there will be occasions when clubs do have to get cancelled and we will aim to provide parents and carers will as much forewarning as possible.
- For clubs run outside on the field, basketball court in the MUGA, these clubs will go ahead as long as the pitch and playing conditions are safe. However, if the weather takes a turn for the worst during the club and the playing conditions become unsafe, then the club will continue inside.
- To view our Clubs page, please see the school website.

First Aid

Clubs run by staff will have a Meadlands staff named first aider.

Attendance and Punctuality

- Lessons start at 8.55am prompt. The gate opens in the morning from 8.45am and will be locked at 8.52am. Registration and the start of the school day starts at 8.55am. If your child arrives after 8.55am, they will be marked down as late.

- If the gate is closed when you arrive, please enter via the Office and electronically sign your child in.
- Our attendance target is 96.5% or above; both Mrs Frank and Mrs Taunton-Johnson closely monitor attendance. We consider attendance to be an essential part of daily school life, in line with our high standards and expectations for learning. Attendance is reviewed on a Monday. If we are concerned about your child's attendance or punctuality, you will be invited in to meet with Mrs Taunton-Johnson.
- Each week the class with the highest attendance wins the attendance trophy.
- Request for absence forms can be collected from Mrs Frank in the school office. Please note all medical absence will be authorised. However, evidence may be requested if your child's attendance has dropped below the statutory baseline of 90%. Please be aware, we are not permitted to authorise any holiday during term time and therefore we ask any parents who are considering this to speak with Mrs Taunton-Johnson or Mrs Wreford in advance of considering booking a holiday.
- Further information on attendance and punctuality can be found on the school website.

PE Days and Uniform

- In Year 1, children for this half term will have PE on Thursdays and Fridays.
- You will be informed through the school's newsletter of the PE days for each new half-term. On PE days, children need to come to school in their PE kit and their trainers.
- If your child attends an after-school club and it is not their PE day, then they need to wear their school uniform and then can change into their club clothing after school.

School Lunch and Birthday Celebrations

School dinners

School dinners are now free for every child who would like one. Due to the ordering and level of administration involved, dinners must be ordered for the full week and not specific days and we ask that you only switch between packed lunches and school dinners on a half-termly or termly basis.

Packed Lunch

We encourage a healthy approach to packed lunches, crisps (fried potato crisps), chocolate (bars, coated biscuits, cakes and chocolate spread), fizzy drinks, fruit shoot drinks and sweet sandwiches are not allowed in packed lunches. Instead please look for healthier alternatives, such as baked crisp, rice cakes, popcorns, crackers, plain fruit or vanilla sponge cake, cereal bars and savoury sandwiches only.

Policy encourages that every packed lunch should have at least 1 portion of fruit and vegetable.

On a Friday, we permit a treat option in packed lunches such as a slice of chocolate cake or a favourite packet of crisps. Please note that sweets and chocolate bars will not be permitted even on treat Friday.

Nut and Seed Free School

Please note that Meadlands is a **nut and seed free school**. We ask that ingredients on packets are checked carefully and food items 'that may contain nuts' are not brought into Meadlands, this also include in packed lunches for trips.

Water for all

Please make sure that your child brings in a labelled water bottle with them. Cold water is available in school. ***We ask that water bottles are taken home at the end of the week to be cleaned.***

Playtime Snacks

Early Years and KS1 are given a piece of fruit each morning at playtime, we encourage children in KS2 to bring in their own fruit. This should be a piece of fruit and not fruit substitutes such as fruit bars.

Friday is known as treat Friday at school and on this day, children whose parents have paid online will receive 2 biscuits.

Birthdays

We are happy that we are able to continue the tradition of sharing a birthday with class friends. However, parents are asked to purchase or make individual cakes. **If 1 big cake is brought into school we will not be able to cut it up and will instead send it home.** If you would prefer your child did not receive this, please inform the class teacher.

Healthier birthday treats, such as fruit kebabs are also welcomed. **WE DO NOT PERMIT PACKETS OF SWEETS OR CHOCOLATE TO BE HANDED OUT AS A BIRTHDAY TREAT.** The option will be cake or fruit. We really do not wish to upset any child on their birthday, so please do not send in confectionary as an option; it will be sent home.

Playtime

We are a one-form entry school with a large expanse of playground space, which means children get to choose a wide range of activities in their playtime from basketball, football, using the outdoor gym and dressing up. This also means playtime is for everyone and children from Reception to Year 6 play together in the big playground at lunchtimes. Playtimes are at 10.30. We complete regular risk assessments of playtime and equipment, completed by members of the SLT, Governing body and external companies. All of our support staff are First Aid trained.

Medical

Parents are requested to complete Medical forms annually and to keep the office updated of any medical changes. If your child is diagnosed with a chronic long-term medical condition, then please make an appointment to meet with either Mrs Taunton-Johnson or Mrs Wreford. With any case of a long-term medical condition or chronic illness an Individual Healthcare Plan (IHP) will need to be created. Examples of medical conditions that would require an IHP are: food allergies that require the use of an Epi-pen, asthma, febrile convulsions, diabetes and epilepsy.

If children have medicine, a form must be completed which gives permission to the school to administer medicine. Medicine must be handed to staff on the gate and not kept in the child's bag. We are permitted to give Calpol, but will always seek parental permission before doing so.

Term Dates

Autumn Term 2025

Wednesday 3 September to Friday 19 December

Half term: Saturday 25 October to Sunday 2 November

INSET Day: Monday 1 September, Tuesday 2 September

CHRISTMAS HOLIDAYS: Saturday 20 December – Monday 5 January

Spring Term 2026

Tuesday 6 January to Friday 27 March

Half term: Saturday 14 February to Sunday 22 February

INSET Day: Monday 5 January

EASTER HOLIDAYS: Saturday 28 March – Monday 13 April

Summer Term 2026

Tuesday 14 April to Friday 17 July

Half term: Saturday 23 May to Sunday 31 May

INSET Day: Monday 13 April, Monday 20 July

Bank Holiday: Monday 4 May

Year 1 trips

We are hopeful that Year 1 will have a class trip or an in-school visit/workshop every half-term. The trips booked will enhance the curriculum and provide opportunities for children to develop their knowledge and skills around a specific topic.

If you would like to volunteer as a parent helper on trips, please read and sign the **Meadlands School Visits Volunteer Agreement Form** at the end of this pack and pass to the office. We always need help on school trips so extra parent volunteers are hugely appreciated, thank you.

<u>Half-Term/ Date</u>	<u>Event</u>	<u>Approximate Cost</u>
Autumn 1	Harvest workshop	Free
Autumn 2	Local area walk	Free
Spring 1	Museum of Richmond 'Toys through the ages'	TBC
	Christmas workshop	Free
Spring 2	Ham House	TBC
Summer 1	Teddington Lock boat	TBC
Summer 2	Orleans House Gallery 'mark making' workshop	TBC

*Please note these are provisional trips and have not yet been booked/confirmed.

Parents will be notified by letter in advance of each trip, and it is possible that trips/costs may be changed or added, although we will try to stick to these possible.

If you need financial support for any of the trips please speak directly to Mrs Gee j.gee@meadlands.richmond.sch.uk

Curriculum Events Calendar *(these dates are subject to change and confirmed dates and events will be shared in the Mallard Messenger)*

PTA Events – these events will be shared in the Mallard Messenger

Thursday 18th September	Meet the Teacher and welcome BBQ
Saturday 6 th December	Christmas Fair
Saturday 11 th July	Summer Fair

KS1 Spelling Bee	Thursday 25 th June
Poetry Slam Launch	Monday 9 th Feb
Poetry Slam	Friday 6 th March
World Book Day	Thursday 5 th March
Shakespeare Fortnight	Starting Monday 16 th March to 26 th March

Active Travel Events:

Junior Citizen year 6:	Tuesday 10 th March 2026
Safe walking year 3:	Monday 9 th March 2026
Year 6 bike ability:	Monday 1 st June to Friday 5 th June 2026
Year 2 safe scooting:	Friday 24 th April 2026

Non-Uniform Days

We publicise Non-uniform Days in our weekly newsletter and on the school website. Non-uniform Days are often an exchange for a £1 contribution towards a charity, or a PTA event. We support national charities such as Save the Children (Christmas Jumper Non-uniform Days) and Comic Relief (crazy hair day) but on occasion we are also asked to support local charities.

Each year the children vote on which charity they would like to support. This will be confirmed by the end of September.

Curriculum Targets

At the beginning of each year, the children are set academic targets in Reading, Writing, Maths and Science. These are set by the SLT and class teacher and are based on previous outcomes and projected attainment. The SLT and class teachers meet at least termly to discuss the progress each individual child is making towards their end of year target and it is during this discussion that extra support, such as boosters, is decided upon.

Year 1 Home Learning

Daily Reading	Children should be reading for at least 20 minutes at home each day. To support the development of a child's fluency and comprehension skills, children benefit from reading and discussing what they have read with an adult. All children in Years 1, 2 and 3 have a white reading record. This needs to be filled in by an adult whenever the child has read at home. Please make a note of the date, book and pages read and add your signature. If you would like, it is always lovely to have a comment written by the adult referring to the reading that has taken place.
----------------------	---

Example reading discussion questions to support reading at home

It is not necessary to ask every question each time your child reads, of course, but they may prove to be useful prompts to start a more focused discussion.

- What happened in the story?
- What do you think will happen next?
- Who is your favourite character? Why?
- Who is the character you like least? Why?
- If you met one of the characters from the story, what would you say to him / her?
- Which part of the story is your favourite / least favourite? Why?
- Would you change any part of the story? How?
- Would you change any of the characters? How?
- Which part of the story was the funniest/scariest/ saddest/ happiest?
- Pick three favourite words or phrases from this chapter. Can you explain why you chose them?
- Did this book make you laugh? Can you explain what was funny and why?
- Does this book remind you of anything else? How?
- Do you think the title of the book is appropriate? What would you have called it?
- If the author had included another paragraph before the story started what do you think it would say?
- Would you like to read another book by this author? Why/ why not?

Of course, it doesn't have to be you asking the questions. Why not turn the tables and let your child ask you about your reading material? The greatest encouragement for your child is to see you - their most influential role model - reading.

Meadlands Assessment

We continually monitor and assessing how well our pupils are progressing through asking questions, leading guided groups, marking work, providing personalised comments and next steps to conducting formal assessments. At Meadlands we have embedded a rigorous and robust assessment procedure. Every term Year 1 will take part in a formal assessment week, which will normally take place towards the end of the term. During this week, all Year 1 children will complete tests in reading and maths. These will test the skills and the knowledge the children have learnt so far and sit alongside the ongoing attainment that teachers review in children's books.

The outcomes of these tests will then be used to support teacher's planning, help identify any groups or individuals who would benefit from interventions and support teachers' judgements about pupil's attainment and progress.

After each assessment week the Year 1 team will meet with Senior Leaders and review the progress and attainment of each pupil in a Pupil Progress Meeting. If we identify a child who is not making good progress we will write a personalised education plan which is written to support them achieve their end of year target and it will detail any specific objects and activities that they will need to work on.

If there are children who are not making progress due to social and emotional needs they may be given pastoral support on referral only by Meadlands staff and parental consent will be gained before any pastoral sessions commence.

For some of our children who have additional needs they may be working with different milestones to their peer group. These children are often supported by a Learning Support Assistant and guided by our SENDCo. For our higher achieving children the objective is that they will work with deeper understanding of the targets for their chronological year group.

As a parent you will be informed of your child's progress and attainment at each of our parents evening meetings and a final progress and attainment judgement will be shared in the end of year report. In addition to this, you are invited to book looks throughout the year. This is a chance for you to go through your child's book with your child and look at their work on display.
