

# Year 5 Parent Curriculum Booklet 2025 - 2026

## **Our school vision:**

**At Meadlands we dream big. Our mantra is borrowed from our literary hero, Roald Dahl *we are the music makers and we are the dreamers of dreams*. And our motto is *Work Hard & Be Kind*.**

What do these words mean to a kid like me at Meadlands? It means we learn more than just facts and subjects, we are taught how to learn so we can be adaptable and be ready for the world we will be part of when we are older. Meadlands encourages us to be self-motivated, to use our own initiative, to be resilient, curious, imaginative, determined and above all else to be kind and respectful. My teachers and staff know me very well, my learning is personalised to my own strengths and weaknesses, I have goals set to challenge me, to break down my barriers and overcome my difficulties. So I can always be better and do better. As a class we make outstanding progress in our lessons. We are proud of ourselves and each other. As a school we all work to improve and grow it. Students, parents, care givers, staff, leaders and governors. Everyone is invited to contribute. This is part of our experience.

Our school is committed to dreaming big. Never resting on our laurels. The curriculum is always developing and improving, delivering the new skills and knowledge we will need for the future. Our school is a harmonious place to be, where we know through hard work and kindness, every dream is possible.

Mrs Wreford and Mrs Taunton-Johnson

Welcome to Greater Flamingos class! I am so excited to support the children as they enter Upper Key Stage 2 and as they continue to develop their learning. This year, Year 5 will be supported by the Upper Key Stage 2 Team, who already know the children very well. We are excited to be able to create new memories, set new challenges and support everyone in achieving their best. If you have any questions at all then please feel free to contact me at [m.warner@meadlands.richmond.sch.uk](mailto:m.warner@meadlands.richmond.sch.uk) . I look forward to meeting you and working with your children.

Best wishes,  
Miss Warner

### Clubs

- The clubs' newsletter is typically circulated two weeks before bookings open. All bookings unless otherwise stated on the newsletter can be booked through the "shop" on Parentmail. The window for bookings will be detailed on the newsletter and places will be allocated on a first come, first served basis.
- Clubs are ten weeks unless otherwise indicated.
- On their club day and when it is not a PE day, children need to come to school in their school uniform and can then change into their club clothing afterschool.
- We have a year round, all weather policy for our outdoor clubs, meaning come rain or shine we will try our hardest to run the club. However, there will be occasions when clubs do have to get cancelled and we will aim to provide parents and carers will as much forewarning as possible.
- For clubs run outside on the field, basketball court in the MUGA, these clubs will go ahead as long as the pitch and playing conditions are safe. However, if the weather takes a turn for the worst during the club and the playing conditions become unsafe, then the club will continue inside.
- To view our Clubs page, please see the school website.

### First Aid

Clubs run by staff will have a Meadlands staff named first aider.

### Attendance and Punctuality

- Lessons start at 8.55am prompt. The gate opens in the morning from 8.45am and will be locked at 8.52am. Registration and the start of the school day starts at 8.55am. If your child arrives after 8.55am, they will be marked down as late.
- If the gate is closed when you arrive, please enter via the Office and electronically sign your child in.

- Our attendance target is 96.5% or above; both Mrs Frank and Mrs Taunton-Johnson closely monitor attendance. We consider attendance to be an essential part of daily school life, in line with our high standards and expectations for learning. Attendance is reviewed on a Monday. If we are concerned about your child's attendance or punctuality, you will be invited in to meet with Mrs Taunton-Johnson.
- Each week the class with the highest attendance wins the attendance trophy.
- Request for absence forms can be collected from Mrs Frank in the school office. Please note all medical absence will be authorised. However, evidence may be requested if your child's attendance has dropped below the statutory baseline of 90%. Please be aware, we are not permitted to authorise any holiday during term time and therefore we ask any parents who are considering this to speak with Mrs Taunton-Johnson or Mrs Wreford in advance of considering booking a holiday.
- Further information on attendance and punctuality can be found on the school website.

### **PE Days and Uniform**

In Year 5, children for this half term will have PE with staff from Grey Court on a Tuesday and their second PE lesson on Fridays, led by Mr Penberthy. You will be informed through the school's newsletter of the PE days for each new half-term. On PE days, children need to come to school in their PE kit and their trainers.

When it is a swimming day, children can still come to school in their PE kit (Autumn 2 for Year 5).

If your child attends an after school club and it is not their PE day, then they need to wear their school uniform and then can change into their club clothing after school.

### **School Lunch and Birthday Celebrations**

#### **School Dinners**

School dinners are now free for every child who would like one. Due to the ordering and level of administration involved, dinners must be ordered for the full week and not specific days and we ask that you only switch between packed lunches and school dinners on a half-termly or termly basis. The school menu can be viewed on the school website.

#### **Packed Lunch**

We encourage a healthy approach to packed lunches, crisps (fried potato crisps), chocolate (bars, coated biscuits, cakes and chocolate spread), fizzy drinks, fruit shoot drinks and sweet sandwiches are not allowed in packed lunches. Instead please look for healthier alternatives, such as baked crisp, rice cakes, popcorns, crackers, plain fruit or vanilla sponge cake, cereal bars and savoury sandwiches only.

Policy encourages that every packed lunch should have at least 1 portion of fruit and vegetable.

On a Friday, we permit a treat option in packed lunches such as a slice of chocolate cake or a favourite packet of crisps. Please note that sweets and chocolate bars will not be permitted even on treat Friday.

### **Nut and Seed Free School**

Please note that Meadlands is a **nut and seed free school**. We ask that ingredients on packets are checked carefully and food items 'that may contain nuts' are not brought into Meadlands, this also include in packed lunches for trips.

### **Water for all**

Please make sure that your child brings in a labelled water bottle with them. Cold water is available in school. ***We ask that water bottles are taken home at the end of the week to be cleaned.***

### **Playtime Snacks**

Early Years and KS1 are given a piece of fruit each morning at playtime, we encourage children in KS2 to bring in their own fruit. This should be a piece of fruit and not fruit substitutes such as fruit bars.

Friday is known as treat Friday at school and on this day, children whose parents have paid online will receive 2 biscuits.

### **Birthdays**

We are happy that we are able to continue the tradition of sharing a birthday with class friends. However, parents are asked to purchase or make individual cakes. **If 1 big cake is brought into school we will not be able to cut it up and will instead send it home.** If you would prefer your child did not receive this, please inform the class teacher.

Healthier birthday treats, such as fruit kebabs are also welcomed. **WE DO NOT PERMIT PACKETS OF SWEETS OR CHOCOLATE TO BE HANDED OUT AS A BIRTHDAY TREAT.** The option will be cake or fruit. We really do not wish to upset any child on their birthday, so please do not send in confectionary as an option; it will be sent home.

### **Playtime**

We are a one-form entry school with a large expanse of playground space, which means children get to choose a wide range of activities in their playtime from basketball, football, using the outdoor gym to dressing up. This also means playtime is for everyone and children from Reception to Year 6 play together in the big playground at lunchtimes. Morning playtimes are staggered with Year 5 and 6 children going outside later at 10.45. We complete regular risk assessments of playtime and equipment, completed by members of the SLT, Governing body and external companies. All of our support staff are First Aid trained.

### **Medical**

Parents are requested to complete Medical forms annually and to keep the office updated of any medical changes. If your child is diagnosed with a chronic long-term medical condition, then please make an appointment to meet with either Mrs Taunton-Johnson or Mrs Wreford. With any case of a long-term medical condition or chronic illness an Individual Healthcare Plan (IHP) will need to be created. Examples of medical conditions that would require an IHP are: food allergies that require the use of an Epi-pen, asthma, febrile convulsions, diabetes and epilepsy.

If children have medicine, a form must be completed which gives permission to the school to administer medicine. Medicine must be handed to staff on the gate and not kept in the child's bag. We are permitted to give Calpol, but will always seek parental permission before doing so.

## Year 5 trips

We are hopeful that Year 5 will have a class trip or an in school visit/workshop every half-term. The trips booked will enhance the curriculum and provide opportunities for children to develop their knowledge and skills around a specific topic.

If you would like to volunteer as a parent helper on trips, please read and sign the **Meadlands School Visits Volunteer Agreement Form** at the end of this pack and pass to the office. We always need help on school trips so extra parent volunteers are hugely appreciated, thank you.

## Non-Uniform Days

We publicise Non-uniform Days in our weekly newsletter and on the school website. Non-uniform Days are often an exchange for a £1 contribution towards a charity, or a PTA event. We support national charities such as Save the Children (Christmas Jumper Non-uniform Days) but on occasion we are also asked to support local charities.

Each year the children vote on which charity they would like to support. This will be confirmed by the end of September.

## Curriculum Targets

At the beginning of each year, the children are set academic targets in Reading, Writing, Maths and Science. These are set by the SLT and class teacher and are based on previous outcomes and projected attainment. The SLT and class teachers meet at least termly to discuss the progress each individual child is making towards their end of year target and it is during this discussion that extra support, such as boosters, is decided upon.

## Year 5 key spelling words

Alongside daily English sessions which will focus on developing children's creativity through applying their writing to a number of genres, there will also be a focus on not just new spelling rules, but a continued development of phonics, key spelling words and Latin and Greek root words.

It is the expectation that by the end of Year 6, pupils will have demonstrated that they are able to read and spell all of the following words correctly.

accommodate	communicate	equip	immediately	physical	sincerely
accompany	community	equipped	individual	prejudice	soldier
according	competition	equipment	interfere	privilege	stomach
achieve	conscience	especially	interrupt	profession	sufficient
aggressive	conscious	exaggerate	language	programme	suggest

### **Year 5 Reading book suggestions**

As I am sure you are aware, as well as being an enjoyable pastime, reading impacts hugely on children's writing ability and general learning. We encourage children to read as much as possible, both at home and in school. To assist with the difficult task of choosing a new book, we have put together a recommended reading list for Year 5 children. This is not an exhaustive list, but it represents a cross-section of books suitable for this year group.

Book	Author	Book	Author
Water Wings	Morris Gleitzman	Wolves of Willoughby Chase	Joan Aiken
Blabbermouth	Morris Gleitzman	Where the Red Fern Grows	Wilson Rawls
Belly Flop	Morris Gleitzman	Little Women	Louisa May Alcott
The Diddakoi	Rumer Godden	The Secret Garden	Frances Hodgson-Burnett
Stormbreaker	Anthony Horowitz	Artemis Fowl	Eoin Colfer
Walter and Me	Michael Morpurgo	The Wind in the Willows	Kenneth Grahame
Friend or Foe	Michael Morpurgo	Anne of Green Gables	L M Montgomery
Mister Monday	Garth Nix	Black Beauty	Anna Sewell
Aquila	Andrew Norris	Holes	Louis Sachar
Harry and the Wrinklies	Alan Temperley	There's a Boy in the Girls' Bathroom	Louis Sachar
The Story of Tracy Beaker	Jacqueline Wilson	Vicky Angel	Jacqueline Wilson
Double Act	Jacqueline Wilson	The Other Side of Truth	Beverley Naidoo
Northern Lights	Philip Pullman	Harry Potter series	J K Rowling
A Christmas Carol	Charles Dickens	Journey to the River Sea	Eva Ibbotson
Dragon Rider	Cornelia Funke	The Owl Service	Alan Garner
Journey To Jo'burg	Beverly Naidoo	Pig Heart Boy	Malorie Blackman
Watership Down	Richard Adams	Tom's Midnight Garden	Philippa Pearce
The Wizard of Earthsea	Ursula K Le Guin		

## **Key Stage 2 Homework Expectations:**

Homework is a great way for pupils to consolidate their learning, but also an opportunity for them to show those at home what they are learning about. Homework is set on a Friday and needs to be handed in no later than the following Wednesday.

Each class will have a clear system about how to hand their homework in; classes have homework boxes, where homework must be placed. This is then marked on the homework register by the member of the year group team. If not handed in on time, the expectation is that the child will complete the homework during a lunch or playtime supervised by the class teacher. However, please do contact the class teacher if there is a reason why homework was not completed, support or extra time is needed.

Topic	Activity
<b>Maths</b>	Maths homework will either comprise of work consolidating the week's learning or provide pupils time to practise their half-term key instant recall fact (KIRF) or a little bit of both. Maths homework will be sent home in a blue homework folder.
<b>Reading</b>	Reading homework in KS2 will be sent home in the yellow English folder.
<b>Daily Reading</b>	Children should be reading for at least 20 minutes at home each day. To support the development of a child's fluency and comprehension skills, children benefit from reading and discussing what they have read with an adult. Only specific children will have a white reading record in Years 4, 5 and 6. These will be kept in school.
<b>Spelling</b>	Weekly spelling and vocabulary lists will be sent as homework in the Yellow Folders. There will be a half-termly spelling test, which will comprise 20 words from any of the lists that half term.

## **Example reading discussion questions to support reading at home**

It is not necessary to ask every question each time your child reads, of course, but they may prove to be useful prompts to start a more focused discussion.

- What has happened in the story so far?
- What do you think will happen next?
- Who is your favourite character? Why?
- Who is the character you like least? Why?
- Do you think the author intended you to like / dislike this character? How do you know?
- Does your opinion of this character change during the story? How? Why?
- Find two things the author wrote about this character that made him / her likeable?
- If you met one of the characters from the story, what would you say to him / her?

**Of course, it doesn't have to be you asking the questions. Why not turn the tables and let your child ask you about your reading material? The greatest encouragement for your child is to see you - their most influential role model - reading.**

## **Meadlands Assessment**

We continually monitor and assessing how well our pupils are progressing through asking questions, leading guided groups, marking work, providing personalised comments and next steps to conducting formal assessments. At Meadlands we have embedded a rigorous and robust assessment procedure. Every term Year 5 will take part in a formal assessment week, which will normally take place towards the end of the term. During this week, all Year 5 children will complete tests in reading, maths, grammar, spelling and science. These will test the skills and the knowledge the children have learnt so far and sit alongside the ongoing attainment that teachers review in children's books.

The outcomes of these tests will then be used to support teacher's planning, help identify any groups or individuals who would benefit from either intervention or booster work and support teachers judgements about pupil's attainment and progress. If we identify a group of children who have all demonstrated the same area of difficulty or would benefit from additional challenge they may attend booster sessions. Booster sessions can take place during or before school. If your child is invited to a booster, a letter will be sent home informing you.

After each assessment week the Year 5 team will meet with Senior Leaders and review the progress and attainment of each pupil in a Pupil Progress Meeting. If we identify a child who is not making good progress we will write a personalised education plan which is written to support them achieve their end of year target and it will detail any specific objects and activities that they will need to work on.

If there are children who are not making progress due to social and emotional needs they may be given pastoral support on referral only by Meadlands staff and parental consent will be gained before any pastoral sessions commence.

For some of our children who have additional needs they may be working with different milestones to their peer group. These children are often supported by a Learning Support Assistant and guided by our SENDCo. For our higher achieving children the objective is that they will work with deeper understanding of the targets for their chronological year group.

As a parent you will be informed of your child's progress and attainment at each of our parents evening meetings and a final progress and attainment judgement will be shared in the end of year report. In addition to this, you are invited to monthly book looks, which take place on the last Friday of each month. This is a chance for you to go through your child's book with your child and look at their work on display. If you would like to discuss your child's progress, please make an appointment to meet with the class teacher rather than holding a discussion during a book look.
